

Position/Project Description #: 701

- One-time
- Short-term
- Ongoing

Volunteer Position/Project: Make a wood frame to display Deacon & Session photos in Atrium

Department: Communications committee

Summary of responsibilities:

Design and make a wood frame, to be mounted on the north wall in the Atrium, that will display the photos and names of the deacons currently serving on the Board of Deacons and the elders currently serving on the Session. Photos should be behind glass. The frame needs to be able to be opened to change the photos. Materials will be provided.
