

Position/Project Description #: 702
 One-time
 Short-term
 Ongoing

Volunteer Position/Project: Deliver Faith Church mug with treats and Faith Church info to those who have recently moved into homes in Minnetonka, Eden Prairie, Hopkins or St. Louis Park. This is an experimental project to see if it helps bring people to our church for the first time.

Department: Committees—Membership committee

Summary of responsibilities: Maintain a supply of filled gift mugs and deliver one to designated new residents. You could be a “move-in manager” for the larger areas (Minnetonka or Eden Prairie) and recruit others to help you or you could just deliver mugs in a designated area.

Qualifications: A GPS device is almost essential.

Time commitment: A guideline is 5 homes can be visited in about one and a half hours.

Responsibilities:

1. Maintain a supply of filled gift mugs.
2. Deliver mugs to designated locations. (Recipients are determined based on lists provided by the cities that show people who have recently ordered utilities connected.)
3. If you are a “move-in manager” for a larger city, also recruit others to help divide up the work.
